

# River's Edge Golf Club Senior Men's Interclub

## General Information Format of Play and Schedule

Sign up at the Pro-Shop and contact the Coordinator for the games you wish to play.

When signing up for an event, you are signing up for the Host game and the associated Visitor game.

Play should be from the host club "senior" tees (white tees).

Speed of play should always be observed and the visitors need to comply with host club rules.

The format for play is as follows:

- Match play between the host club and the visitors with 2 players on each team in each foursome.
- Handicap for each player is based on the lowest handicap set at 0. For example, Lowest handicap in the foursome is 10 and the others are 14, 18, and 25. The 10 is set to 0 and the others are +4, +8 and +15.
- Each player must have a recorded handicap factor. To even up the level of play between groups, players will be divided into those with a handicap factor of approximately 16 or less (A group) and those above 16 (B group).
- The lowest score for each team to count towards the result on each hole.
- The final score for the match is:
  - 1 point for the winner of the front nine
  - 1 point for the winner of the back nine
  - 1 point for the winner of 18 hole total
- Group B Scores should be reported to David May at (403) 472-6706
- Group C scores should be reported to Ed Pessah at (403) 225-0021 (leave message)

Ties will result in a ½ point for each team

The outcome of the total match is 6 points divided between the 2 clubs, 3 for the "A" foursome and 3 for the "B" foursome.

Scores are to be reported to the coordinators and league as quickly as practical.

All participants should note that the enjoyment of new friends and different courses is the primary objective of the league and the competition is secondary.
